# How an Immigrant Used His Heritage to Build a Billion-Dollar Empire

From choosing a cultural word  
conveying a comforting, melodic sumptuous treat...

To the careful preparation of a family-inspired  
recepte that filled a void in the marketplace...

To his heart and business philosophy, some might compare  
Hamdi Ulukaya and his initial limited  
English language skills, and his upstate entrepreneurial  
adventure to that of a Persian Henry David Thoreau.
