

# 24 Niche Business Education Resources On TpT

Timesaving Search List

Searching for several hours, I compiled 24 interesting examples under the entrepreneurship category on the TeachersPayTeachers site. Two freebies are included.

And at the end of the list is a journal developed for aspiring teacher entrepreneurs. The tool also illustrates a specialized entrepreneurial sub-category on Teachers Pay Teachers.

The list is a timesaving resource because depending on the search term used on TpT thousands of search results may appear under *business education resources*.

See the illustrated list for more details.
