

Copyright Expert at Clive Davis School of Music

'Blurred Lines' Ruling Explained...

Must read article for aspiring musicians and entrepreneurial music students...

If you thought you understood why Robin Thicke and Pharrell Williams have so far lost their costly copyright infringement lawsuit, an interview with Jeff Peretz a professor at Clive Davis Institute, may give one

pause.

“Blurred Lines” may well serve as a metaphorical takeaway lesson; and be regarded as the most ironic song title ever.
