

Free Business eBook Resource

Nolo's* Legal Reference Information Center

Full texts of Nolo's publications are available through their search engine.

The company's mission is to provide practical information for non-lawyers, but Nolo also specializes in business books. Titles are primarily focused on the legal and tax aspects of starting-up and running an enterprise.

Some titles may be useful for those seeking inspiration. For instance, *Running a Side Business, or, Retire and Start Your Own Business: Five Steps to Success*, or *The eBay Business Start up Kit*.
