

How Aerosmith Musician Found His Path

Clarinet Player Joe Perry?

http://youtu.be/FAm_gioAVnY

Aerosmith fans will likely laugh at the thought of the famous guitarist rocking out on the clarinet.

During the first 15 minutes, of this Tavis Smiley rebroadcast, Perry recounts his childhood learning disability, science aspirations, clarinet lessons, and love of reading. It's an inside look at how his family coped with his academic challenges. And what circumstances later inspired him vocationally as an adult.
