

Lessons From A Reluctant Author

Run, Don't Walk...

A new book by Adele Levine, *Run, Don't Walk: The Curious and Chaotic Life of a Physical Therapist Inside Walter Reed Army Medical Center*, has been compared with iconic TV programs such as MASH.

But even though physical therapist Adele Levine wrote humor articles for the Washington Post, she had no interest in writing about other subject matter and initially resisted suggestions to write about work. Hear the circumstances that changed Levine's mind in this recent 47-minute C-Span presentation. Levine's new book weaves hope and humor and helps dispel the

stereotypical view of injured soldiers.

The Q & A addresses the Walter Reed controversy and presents a riveting and highly informative look at the activities of soldiers who have lost limbs during rehabilitation. Amusing author's background. page. <http://adelelevine.com/about/>

Takeaway

There are several, but one major theme is humor.

Levine has a talent that not all have but can incorporate in their life and work in some way.

The trick is to figure out ways to do so.
