

Most Memorable Business Q& A

Q. What is the Most Memorable Business You Have Encountered?

A. If you mean jaw-dropping unforgettable, it would have to be a designer I learned about while editing *Changing Your Work or Career*. An accidental gunshot by an acquaintance at an LA party blinded him permanently.. He went through challenging times. But he embarked on a new career direction and started a successful company as head designer: a successful firm that specializes in building shooting galleries for carnivals. I still can't wrap my brain around that one.
