

# Niche Creativity: Books & Blog Update

## A Final Update

1. *Racial Profiling & Social Justice in the Marketplace* has been approved and is now active to buy from your favorite independent bookseller in ePub or print.

2. *Finding Your Niche 2022*, in a PDF format with a new useful brochure, will be available on this blog and the Teachers Pay Teachers site ASAP.

3. Still awaiting approval. *Restaurant Reviewing* has been uploaded and is pending approval for print. 4. *Inspector Squirrel's Medical Notebook* will be available in the summer.

During this month, only Q & A's will be answered while resolving production and third-party platform matters.
