

Philip Bailey & Phil Collins: Making a Video Behind the Scenes

Philip Bailey of Earth, Wind and Fire and Phil Collins of Genesis show the challenges in their “Easy Lover” “video within a video, within a video,” while creating their 1980s production.

But as they practice singing and their choreography, then search for clothing, some may initially wonder how the men created this crossover hit, which they co-wrote.

The *Easy Lover* video includes chuckle-out-loud moments.
