

Putting The Right Light In Your Life

Health & Productivity

Did you know?

Lighting is an issue often overlooked.

The wrong lighting can disrupt your ability to think and work effectively

So, choosing the right light and where to position it is a health-related issue.

The value of lighting was featured on last night's airing of Shark Tank.

For the first time ever, I believe, Kevin O'Leary doubled the Lumino founder's valuation...(from about 3 million to 6 million!)

Every single shark wanted a piece of Lumino...

It's not just a beautiful product
