

Suzie Brown: How A Heart Transplant Doctor Uses Music For Work Life Balance

Not since a contestant on Wheel of Fortune introduced himself as an RN and a pig farmer, have I heard of a more memorable way to combine innate abilities than that of the Tennessee cardiologist, Dr. Suzie Brown. Check out the 3-minute video on “CBS News This Morning” A More Perfect Union series.

“There are no rules. It’s all just made up that you have to work full-time in medicine, that you can’t do other things. What matters is that you are happy. I like to say that if you are happy, you win.” – Suzi Brown, M.D.
