

Little Jazz Genius from Bali

Spotlight on Joey Alexander's Natural Talents

The awesome ability of 12-year old jazz musician Joey Alexander was identified after his parents tried to channel their son's hyperactivity by giving him a musical instrument

What two primary talents, other than musical, might best describe Alexander's abilities?

See the references that follow for clues.

Answers below...

Answers: Based on video analysis, highly likely a probability of *Ideaphoria* and *Dexterity* for starters...
