Working without a Contract

It's an issue in many fields in the private sector: signing on to a long-term assignment without a clearly stated agreement that if the client cancels there must be an agreed upon length of time for notification. *A qualified business attorney can provide details.* **Low-Cost Web site substitute**

Panel discussion is targeted to the publishing industry, but the first 25 minutes is a fast-paced presentation of social media

trends by a popular business professor and entrepreneur.

And when the entire panel concludes,

the professor has the last words about trends and the business of education.
