

# Tips for Nurturing Your Little Entrepreneur

## Why You Should Start Early

Simple ways to recognize and encourage creativity and entrepreneurial talent is the underlying theme in the February issue of *Safety Net-Parents* newsletter

Leon Scott Baxter, dad, author, elementary teacher, and editor of

*Safety Net Parents* newsletter also includes a Disney video of a teen fashion designer.

Industry insiders' consider the teen designer to some of Hollywood's stars, the youngest in the business. And her upbringing illustrates the end result of some of the principles that Baxter outlines.
