

Why Some Teachers Become Entrepreneurs

2 Clues

Journalist Dana Goldstein, author of *The Teacher Wars: A History of America's Most Embattled Profession*, appeared in a 15-minute interview this weekend on CNN. The brief segment included mention of major historical and current day socio-political issues that teachers confront regularly...

And take a look at the humorous blog post "Top 10 Teachers New Year Resolutions" by the Pensivesloth.com. It recently went viral.

It was written by a fifth grade teacher with a masters in education.

Underneath the satire is a glimpse of working conditions for too many educators.
