

Youth Design Contest: Winners to Split One Million Dollars

Design World Online is one of several sites announcing the recent launch of the XPRIIZE contest for youths ages 15-24.

Inspired by the current global crisis, entrants must design a better surgical mask than currently available on the market.

The contest is open for eight months, but the deadline to submit an entry is in the latter part of October 2020. So that is a lot of planning, fact-gathering (beyond Googling), and creativity in a short space of time.

THE TIME
IS ALWAYS
NOW

A rectangular sign with a white border is mounted on a dark wall. The sign's background is a dense, vibrant green moss. The text "THE TIME IS ALWAYS NOW" is written in a white, hand-drawn, sans-serif font. The letters are illuminated from within, giving them a bright, glowing appearance. The sign is set against a dark, textured background, possibly a wall or a large piece of fabric.
